Meet the Alexandar Group

Alexandar Hotels is a group of boutique luxury properties located **in the heart of Skopje,** North Macedonia, part of the long-established **Karaorman Investment Group** with decades of experience in hospitality and real-estate development. The flagship Hotel Alexandar Square Boutique is a 4-star boutique hotel situated directly on Macedonia Square, offering panoramic views of the historic city center, Alexander the Great's monument, and the surrounding landmarks. The property combines **baroque-inspired elegance** with contemporary comfort, spacious and well-furnished rooms, private balconies overlooking the square, and a refined guest experience tailored to **both** business and leisure travelers.

The hotel is positioned within walking distance of Skopje's main business district, cultural institutions, museums, and the city's most vibrant shopping and dining areas, and it also offers dedicated parking in the city center, providing added convenience for guests arriving by car. Alexandar Hotels focuses on personalized service, attention to detail, and a warm, baroque-luxury atmosphere, hosting a variety of cultural, social, and business events throughout the year.

The hotel offers a **high-quality lunch** buffet with a selection of local and international specialties, prepared with **fresh ingredients** and served in a stylish, comfortable setting, which is highly appreciated by guests.
